**VICTIM:** 73, F, CURWENSVILLE, PA

INCIDENT DETAILS:

On the above date and time PSP Clearfield took the report of a scam which the victim lost \$11,500.

This occurred as the victim received an email from the scammer which had SSA letterhead. The email stated the victims SSN was going to be deactivated as the victims identity was used in drug trafficking in Texas which is being investigated by the DEA.

The victim was then threatened with arrest unless they paid money. This occurred over the phone by someone posing as a DEA agent. The transaction was subsequently completed at a Bitcoin kiosk. During this process the victim was instructed to not tell anyone this was happening.

The public should be aware of these types of scams and need to know Federal, State or Local law enforcement agencies will NOT demand payment from anyone in this manner. The high pressure tactics such as threat of arrest, isolating the victim (do not tell anyone about this) are often used.
