

YOU'RE INVITED!

A PUBLIC MEETING FOR THE
CHESTER HILL
RECONNECTING COMMUNITIES STUDY

Tuesday, August 13

6:00 PM

Chester Hill Borough Building
920 Walton Street
Philipsburg, PA 16866

Chester Hill Borough is partnering with Clearfield County, the North Central Pennsylvania Regional Planning and Development Commission and PennDOT to study and address the impacts of the recent closure and removal of the Presqueisle Street Bridge.

Local officials are seeking public input on transportation issues and potential solutions between Presqueisle Street and PA 53 (Walton Street).

LEARN ABOUT STUDY CONCEPTS, INCLUDING:

Enhancing vehicular and pedestrian access.

Improving safety and mitigating conflicts between transportation modes.

Alleviating the pressure of increased traffic on local roads.

For more information, contact the Borough office at (814) 342-0420
